**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose a competitive provider because they provide a high quality communications package that exceeds those offered by AT&T.

Sonic.net strives to service their customers and is an award winning ISP.

Broadband is critical to my family as we stream high quality video from several different providers.

I enjoy a telephone service that has forward-looking services at a reasonable cost.

AT&T is too big to care about their customers.

Please don't let AT&T screw me.
