**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We have been using Sonic.net as our ISP for 7 years. Sonic provides affordable internet and phone service, while maintaining very high customer service standards, unlike big carriers like AT&T and Comcast, which are rated as among the worst companies in the US in terms of customer service. Please do not pass any rule that will drive them out of business.
