**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

In today's world, the internet is the new global commons, on which people from around the world can mingle and speak directly to each other. Please don't allow corporate business interests to "close the commons," and make themselves the gatekeepers of what should be a public resource.

Thank you for your consideration,

Mario Galvan
