**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please recognize that we need competition. For seniors we need the choice and lower prices. I love having a local provider like Sonic to call and get a real person on the phone to help me out.

The internet is critical for service and products for my generation.

On a fixed income with no hope for increases, we need prices to stay down and provide fast internet service.
