**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I would like more competition for broadband, not less and not under the control of one or two huge corporations. Despite living in Silicon Valley my broadband choices are very thin and I've signed with the only independent provider, Sonic. A recent trip to Singapore was also an opener with the option to sign up for speeds of 2GB for the princely sum of what I pay for 20MB.
