**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Internet connectivity is important to me and my family. Access to affordable options is essential. I support broadband competition which promotes affordability and accessibility for consumers like me. My local ISP has been a wonderful option for me. Without them I would be paying at least twice as much.
