**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose competitive ISP because they represent everything great America: opportunity. It is opportunity that has given rise to Ford, Apple, Google, Facebook, Elon Musk, and other great leaders. By considering this action you are not only raising prices but taking away the possibility that another American job creator will raise.

I urge careful consideration and respect towards the healthy competition that currently exist between ISPs.
