**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need more competition NOT less. Huge corporations have steadily been getting more & more enormous. This only spells one thing for the consumer, Less Choice & Higher Prices.

Broadband is critical for schools and education IF we are to compete with other countries. We are actually behind the curve with in this regard.

There are essentially 2 providers who gobble up the whole market leaving consumers with precious little choice for quality and speed.
