**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

A few years ago I moved away from the large cable/internet provider and choose to get my internet from a local provider. Before I switched, I called the large cable company and tried to get a package that worked better for me. They were rude and would not even consider giving me options. My local internet provider is only 1/3 the price and gives me exactly what I want: fast, reliable internet service. I was nervous to switch, but I am very glad I did. No automatic price increases, no rude out of state cable operators, and internet access that works great. I am asking that you support a competitive process and by denying the petition by US Telecom.

Thank you,

Steve Suter
