**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic, a competitive internet service provider, because I was so dissatisfied with service I had received from Comcast and AT&T in the past. Without companies like Sonic, there is no significant consumer choice, leaving few incentives for ISPs to improve their service. The high quality service and competition brought by companies like Sonic is essential for long-term the health of this countrys internet market.
