**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic.net because they provide better service at a lower cost than the big telecom provider. We need more competition! Broadband is a critical service that I depend on for work. I currently have fiber from my internet provider (sonice.net). It is a service that the big telecom companies like AT&T can't provide.
