**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Completion is essential for a healthy marketplace. I had ATT dsl originally as it stated to crawl to a spitter. When Sonic installed their gigabit fiber, the internet performance increased exponentially and their service was light years ahead of att. As fast speeds are necessarily to do business in the modern economy, robust completion is essential to keeping completion fair and beneficial for consumers on all levels.
