**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am an individual consumer and I think that allowing competition in internet service providers is critical in these times. Choosing a local competitive provider allowed me to have better prices and customer service and I am constantly encouraging others to switch.

I have now switched to having my phone service with this provider too and have had no complaints.

Please register my opposition to the US Telecom petition.
