**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm tired of having my choices made by the very people charged with ensuring that I have a chance to make them. That's you FCC. Here we have what looks like another sell out to monopolies that have no incentive to provide service or choices. Thankfully I have an upstart provider, Sonic fiber, that provides me with excellent service and pricing and, more importantly an alternative to Comcast and AT&T. Everyone should have an option that provides the level of service that they are paying for and the choice to move to another provider if the level of service is not reasonable. Do the right thing!
