**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Poor customer service and poor quality provided by AT&T would be forced on us. Please do not cut out the smaller companies. They give a better product and are more adept at providing an alternative to the big companies. I have a small business and by banding together we offer variety and innovation to our customers. Stop this bill!

Thank you,

Ben Andrews
