47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

NO to price hikes that will increase the cost of internet. NO to a monopoly and YES to a provider Sonic that offers competitive price and great services. My previous provider, Comcast, offered a very slow and mediocre service when finally I had the change things changed by getting a great speed and a good price.
