**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I live in the SF and would prefer to use sonic over ATT. The reason is quality of service and customer support, better price, and speed. Competition should exist in the SF. ATT only would be the disaster. It's a shame to have so low-quality internet in the computer center of the world. I have the only DSL and should pay for the double line. I have ATT DSL before and it was not working at all.
