**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition and I rely on it daily. I have chosen a fiber network because of their superior service and this change would significantly affect my internet access. Please keep competition available so that consumers like me can decide what products are best for our own use and not be strong armed into an inferior service.
