47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need reliable internet at a affordable cost. AT&T and Comcast are not what I want coz they are not reliable and affordable at all. So far Sonic is one of the most reliable internet that I ever use, they speed is great and the price is somewhat affordable. Please keep Sonic in business. Thank you
