**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer and having broadband competition is good for our economy. Competition is always good in all aspects. I have fiber now and had dsl before through att and disliked my service. I am glad that I had the freedom to show in a competitive marketplace. Please continue to allow this to us as consumers.
