**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Having a choice of broadband internet providers has definitely improved the quality of service and speed of connections in the market where I live. It's critical for my working from home, my wife's preparation as a teacher for her classroom, and my son's ability to do homework as well as entertainment purposes for all of us.

Limiting the competition would set us all back
