**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please reconsider your stance on this very important bill. It is vital that we have competition in this area of communication. I have been so happy with my local sever.sonic. They are in California and speak English and answer questions that bother me about telephone and Computer services.. I like the local angle and the fact that they continue to improve their services It is scary to me to have those large companies closing out the smaller ones and taking over the whole communications field leaving out the competition.

This is very important to our lives.
