**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It is important to have free trade and competition to keep prices down and services up. Big phone companies are the pits and these smaller companies keep them honest. Keep competition Alive. Dont let big business squeeze out the mom and pop companies. No more price hikes or price gouging.
