**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please let there always be competition. I am just one small time consumer. When I first started using internet we used one of the big companies. One day went to use it, and the company dropped all of us in our area. That's when a very small company came in, picked all of us up and gave us the opportunity to continue using the internet.

No matter where we move they are with us. I will not give up on them. They continue to grow and expand. Broadband competition for home, schools, and businesses are the backbone of this country.

Continued price hikes means fewer citizens can enjoy the Broadband revolution.
