**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I live in one of the tech capitals of the world, San Francisco, and until a few years ago when we switched to sonic we had very slow yet very expensive service available in my neighborhood. Sonic has great customer service, great prices, and brought fiber to my neighborhood in San Francisco before any of the larger Internet providers. Please support broadband competition so the big companies dont have a monopoly, and so great companies like sonic can continue to provide us with great service at a reasonable price.
