**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition and choices for home internet is a must. As a consumer, being limited to only ATT(dsl) or Comcast (cable) is totally unfair as these 2 big companies has the history and reputation of charging hidden cost, raising prices, limiting speed, and other business decisions against consumer. Having services like SONIC.NET has been a blessing and even though slower internet, they are honest and shown to not take advantage of consumers like the big internet companies. Keep competition alive. Its unfair for consumers to be without choices and be at the mercy of big monopoly that think its ok to force/drain consumers of money.

Sincerely,

Po Lee
