**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Monopolies are not healthy for the well being of the public. Just two choices in the market place is not healthy for the well being of the public. I'm a senior citizen and Sonic provides me with a low cost alternative for my internet and phone service.

Please allow more competition with internet provider services.
