**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It is imperative that we keep net neutrality! My internet provider is a small company that provides great service - something that AT&T, Comcast, and their ilk do not do. That is why we must keep small service providers and encourage more of them.

For once, please use your common sense instead of your wallets! Be an American organization, not a puppet of large corporations.

Sincerely,

Ted Tilton
