**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We are a small rural community nonprofit organization. Every dollar saved is money that can go back into our community of Cloverdale. Prior to our service with Sonic.net, we had service from a large company, Comcast. The price for service was 2.5 times greater than what we can now pay for the same services through Sonic.net

It's incredibly important to us to keep our dollars here in our local community but also as a nonprofit be able to provide our programs without incredible costs in overhead. Every dollar counts and that is why we need to have more competition in the market of internet and telephone services.
