**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support Sonic.net, a local provider. Their prices are competitive but their service far surpasses any I have ever gotten from ATT or Verizon. If I have a connection problem, the tech on the other end has been helpful, patient and personable and members of my community. Fiber technology is more preferable to DSL for greater speed.

We must keep our options open and maintain competition.

Thank you

Cheryl Wells
