**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been a happy customer with Sonic.net for over a decade. This is a small, competitive phone/internet provider. Before Sonic.net, I was with AT&T.

The level of service improvement was just incredible. Sonic is responsive to my needs, and provided higher bandwidth, reliable service, and competitive pricing.

This is why broadband competition is important. I oppose the USTelecom petition which will throttle smaller, competitive providers.
