**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer that supports broadband competition. When we only had 1 provider to choose from we were unable to do anything about the prices charged. When we have more than 1 provider, we can at least have a choice.

In addition, the competition promotes innovation. New and improved means of delivery and services are created to gain or maintain consumers.
