**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a broadband consumer who supports broadband competition. My local service provider offers me better service and more competitive rates than nationwide companies. My experience of nationwide internet providers is that they are monopolistic and seek to exploit their customers.

Sincerely

Gregory Yarwood
