**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It is important to have competition. We need to preserve the laws in place that protect competition and give small internet businesses a chance.

Don't let the big communication companies take over. They already have enough of the pie. We don't need price hikes. That's insane compared to other countries.
