**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer in a university town. I support broadband competition. I urge you NOT to allow 1-2 big companies (eg AT&T, Verizon) to monopolize and become our only options for web access.

We started using a small, local internet provider in the last year. Their service is far superior especially when there are any problems and their prices are very competitive.

Please help keep competition.

Thank you.
