**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am in direct disagreement with the Petition of USTelecom for Forbearance.

I am a resident of a small town, population 8,945, living on a fixed income. Without local competitive internet providers I would be unable to afford internet services.

I left the big corporation carrier because of constant price increases, inferior service, and POOR customer service. My current local provider is great. Good product ,Good service, and LOCAL personal customer service!
