**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support small business competition. When huge businesses get a stranglehold with no competition, they raise prices whenever you let them! Sonic at least gives us a choice. As the big ones gobble up all the smaller ones, we are going back to where we were Pac Bell had control, and it was taken away from them. Stop it now.

I left AT&T because they kept sneaking extra charges in different places regularly.

I have my land line and internet service with a competitive provider, and both their price and service are good.
