**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose a local and competitive provider that is offering a better and cheaper service for my specific needs. I work from home, speed and reliability of service are crucial. If we create a monopoly price increases and throttling will become a major issue affecting the lives and businesses.

None of these big companies provided fiber to my home, until this local provider did. They should be rewarded with an opportunity to compete.

Regards,
