**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition! Please don't let at&t and other large carriers lock out smaller providers, who can add real competition to broadband options. I love in a community that will be getting fiber to the home soon, and I'm sure the only reason for that is the competition that at&t wants to take away.
