**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am one of those customers that AT&T and it's trade association seems to think doesn't exist, a customer that uses an ISP unbundled copper connections for both voice and data. Letting the telecoms get rid of the UNE requirements of the 1996 telecom act would cut off my service, service that I am extremely happy with because it isn't at&t.
