**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I was using ATT and Comcast before switching over to the current ISP, Sonic. The main reason was the larger companies charged a lot but failed to provide the kind of service I was paying for. The small company Sonic provides a fast speed and reliable service at very competitive rates.

Therefore, I am requesting FCC to reject the USTelecom petition in order to promote competition and provide customers with a wider choice of service providers.

Thank you for considering my request.
