**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We should all have competition - It makes businesses keep their prices down and to do better for their customers. A lot of customers are on a fixed income and can not afford much. I love the internet and look forward to using it every day.

I also use a competitive company for my home phone. I am saving more than \$25 per month. And, I am sure the price of big business has gone up since i switched.

Keep competition alive!!
