**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am writing this letter in support of small local internet provider lmi.net. The proposed deregulation will hurt all small providers for a benefit few large one. Prior to lmi.net I used AT&T DSL service which was slower and cost much more. Since I switched to lmi.net I have not seen price increase in past two/three years and my service has a superior quality.

Thanks for consideration,

Mark Kesel
