47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am choosing a competitive provider because TV cable prices and internet service providers' fees are constantly being raised and all types of extra fees are worked in to the total bill!! I have to be constantly searching for better services at reduced rates. When there are more companies competing, as subscribers, we benefit.

We currently have fiber connectivity with Sonic. We changed from AT&T Uverse and are quite pleased. This includes a landline, also!
