47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It's not lost on my family that for years we had to suffer through ATT being the DSL provider in our neighborhood. They were slow to respond when we had problems or questions and did not offer very competitive prices.

When Sonic came to Mountain View CA, we were quite happy to switch and have enjoyed friendly service and support ever since.

We would be unhappy if ATT was again the only DSL provider in my town!
