**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I rely on broadband to deliver video products quickly and efficiently to the clients of my sole proprietorship business. I chose my provider, Sonic, for their excellent service, and the fact that they are a local business that knows their customers. It would be unconscionable to squeeze them out of business.

I left AT&T DSL service because it was horrible - bad connection, abhorrent service, support from people who speak broken English. I am infinitely happier using Sonic.

Thank you,

Eric Pomert
