**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I oppose the USTelecom petition because I don't want price hikes, and I want to have choice in who I get my Internet connection from. I support broadband competition. I live in an area where there are only a couple of provider choices so we need more options not fewer options. I chose my provider because they are a smaller company. I don't support huge conglomerates whose only concern is lining their own pockets. The market needs to be diversified and having more Internet provider options is key.

Thank you.
