**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Before Sonic had access to deploy fiber, I had only one option for high speed Internet access: Comcast. After years without competition, Comcast customer service was famously bad and the service level had stagnated. Whenever the service was slow, I had no recourse.

Now with Sonic I have speeds that I need for a modern home and excellent customer service. This is what a competitive market provides. Please don't end this market by letting high powered incumbents prevent competition.
