**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please don't deregulate broadband service providers. I am a consumer who uses Sonic Internet. The service uses AT&T for part of it's wiring. I am glad there is competition in my city so I can get far superior customer service at a fair price. I don't want to see that choice taken away from me. Also, it's local service providers like Sonic who are building faster fiber networks. This is good for the economy. Deregulating and stifling competition would stop this.
