**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use a small local broadband company. They have excellent service and support our local economy. We need competition to keep our broadband prices down and companies caring to do good service. Having only a few giant companies is bad for everyone except those huge companies. Please do not create regulations that promote monopolies or near monopolies.
